Cora,

In anticipation of receiving funding under the FY2013 budget, I submitted several TDD with the dollar amounts we expected to be able to fund them. Now we know that the actual funds available are significantly less than originally anticipated and I will need to change the TDDs to reflect the new funding amounts. As you know, under the EAS system the TDD must be sent back to the originator in order for these changes to be made. I have checked with Linda and she is sending back the two TDDs that are currently in her EAS inbox. I am requesting that you send back the following TDD so that I can make the required changes and resubmit. Thanks.

WR Grace River Road	Dynamac-077-13-002
